

Do you want to join our team?

We have a vacancy for an NVQ Assessor.

Location:

Lancashire, plus travel UK wide

The Package:

Highly competitive remuneration package	Bonus scheme
Company Car/Car Allowance/Fuel Card	Mobile phone
Established Pension Scheme	Laptop
Career Progression	24 days paid holiday plus bank
On site free & easy accessible car parking	holidays

Requirements for the role:

You would be working with a team of NVQ Assessors & CPCS Trainer/Testers who deliver training and competence based qualifications for clients throughout the UK.

Your role would be the delivery of the NVQ, collating information, providing feedback and reports, whilst you guide our candidates through the NVQ process and assess their competence.

Experience in the Assessor role is desirable, however experience in the lifting industry to Appointed Person Level, the ability to communicate effectively and a current driving licence are essential.

D32/33 or A1 or equivalent would be an advantage though not essential.

We are looking for a self-motivated, positive, effective communicator who has a good level of numeracy & literacy with excellent attention to detail.

You will need to work as part of a team, but also have self-motivation, self-discipline to be able to work effectively and efficiently independently away from the office at our clients sites throughout the UK.

Company Benefits

You would benefit from a comprehensive training programme which includes significant investment from Ainscough Training, including both internal and external training and coaching, a competitive salary package and company benefits, including 24 days paid holiday, plus bank holidays, quality company car, mobile phone, laptop and established pension scheme, along with excellent promotion prospects.

You would be based at our bespoke training centre in Leyland Lancashire and benefit from free car parking and the easy access to the motorway network and an excellent support from the admin team.

The successful applicant would be joining a warm and welcoming team who understand that internal customer care has a direct correlation with our external customer care
