

Part-Time Position for Mobile Crane Operator (Ideal for Retired Individuals)

We are a training provider specialising in lifting operations. We deliver CPCS training and testing every week and we are seeking an additional team member to operate our mobile crane on a part-time basis. The ideal candidate will have experience in crane maintenance and fitting.

This opportunity is perfect for someone with a genuine passion for cranes, seeking a more stable and less demanding workload.

Shift and Schedule:

Up to 20 hours per week
Monday to Friday between 8 am and 4 pm
No night shifts or weekends
Crane operation involves Terex, Grove & Crawler Crane

Location:

Permanent, based in Leyland, Lancashire

What We Offer:

Competitive Salary: Receive a competitive salary of £13.35 per hour, company pension, comprehensive benefits, including paid holiday on a pro rata basis, plus bank holidays, and easy access to the motorway network and ample free parking.

Supportive Environment: Join our friendly team in Leyland, Lancashire.

Responsibilities:

Operate our cranes in a training environment
Regular maintenance of the cranes to ensure they are in full working order
Complete daily and weekly checks
Report any faults and resolve issues
Conduct repairs on cranes
Maintaining training yard to a high standard

Requirements:

Valid crane operator certification or license
Proven experience operating cranes
Empathy and patience as you will be working with trainees new to the industry

Note: This job description provides a general overview of the position, and additional duties may be assigned as necessary.

Please note that Ainscough Training Services Ltd is a separate entity from Ainscough Crane Hire, with no connection since 2001.
